

Challenger Lifts

Model#: SRM10
10,000 lb. capacity
Short-Rise Lift

SRM10

The SRM10 is a great choice for brake and tire servicing needs. Dual hydraulic cylinders provide a 10,000 lb. lifting capacity picking up vehicles ranging from small passenger cars to light trucks.

Standard 2 position spotting blocks and auxiliary adapters reach a wide range of vehicle pick up points. Lug nuts and other small parts are always within reach with the SRM10's inset storage trays. Its small footprint compared to other lift models make the SRM10 a perfect fit.

Features & Benefits:

- Challenger Lifts' SRM10 short-rise pad lift comes standard with 4 two position adapter blocks for increased vehicle spotting versatility
- Standard storage trays are conveniently placed on each side of the lift to prevent lug nuts and other small parts from being misplaced
- Dual cylinders provide stable 10,000 lb. lifting capabilities to accommodate a wide range of vehicles
- Floor mounted diamond plated approach ramps help to prevent slipping
- 3 locking positions allows technician to work at their ergonomic height to increase productivity and minimize fatigue
- Powder coat finish provides long lasting durable finish

standard features:

4 two position adapter blocks included
Part#: SR10-001

optional accessory:

Four 4 1/8" spotting block auxiliary adapters
Part#: 63100
